

Dear IHM Families,

It has been a great start to the second trimester, it's hard to believe December is half way through and Christmas is fast approaching. Earlier in December we celebrated a successful first trimester and rewarded the students with some free time to play games, or watch a seasonal movie, and some students were even surprised by a visit from the classroom elf!

K-B

We are so proud of our students for doing their best in school, following the PBIS rules, and preparing for the weeks ahead. Feathers have been earned and recognitions received. This year our teachers even continue to be recognized, and now with an “out of uniform” pass for being a positive example of our PBIS expectations as well.

We thank you for all of your support and involvement as well in our school. It has been a busy school year so far with the many events that have been so generously attended such as: Fall Fest, Spaghetti Dinner, and Breakfast with Santa. It is absolutely wonderful to see such a vibrant community at our school events and joyful children having fun with family and friends.

We wish you a blessed Christmas season and peaceful New Year.

*The PBIS Team*
