

Dear IHM Families,

We are extremely excited to share with you that IHM has earned the silver level PBIS award because of how Respectful, Responsible, and Ready our community is. This week, the PBIS team hosted an assembly to congratulate the students, teachers, and staff on working consistently with our positive behavior initiatives. We unveiled our silver award, enjoyed a visit from an Archdiocese representative, and presented the students with a small token of our appreciation for maintaining Respectful, Responsible, and Ready behavior. We can see how proud the students are of themselves, just as much as we are proud of them.

We look forward to continuing this positive behavior trend during the 2017-18 school year. The students are equally eager to build upon the silver award by earning the gold as a result of: respecting one another, their teachers, and the community; responsibly behaving in class, the cafeteria, and the hallways; and always ready to learn! Thank you as well for always supporting our efforts as we incorporate the PBIS standards here at school.

With much gratitude,

The PBIS Team
