Immaculate Heart of Mary School

Engraved Brick Fundraiser

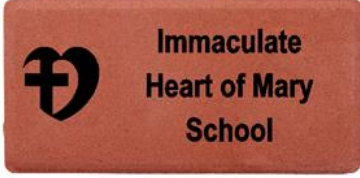

“Immaculate Heart of Mary school is rooted in tradition and we are building a new future, one brick at a time. Help us pave the way for the next 70 years at IHM.”

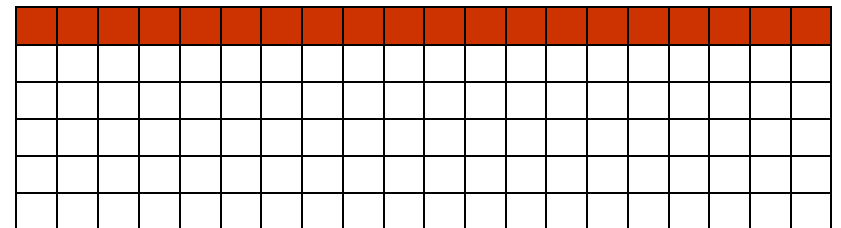

Father Cartwright began laying the foundation for the Immaculate Heart of Mary School over 70 years ago. As we continue to celebrate our school’s 70th Anniversary, we invite the entire IHM community to unite by participating in the **Immaculate Heart of Mary School’s Commemorative Brick Project** to help “pave the way” for our school’s future. These personalized bricks will encircle our school’s new Peace Pole Garden and will help create a beautiful lasting tribute to the past, present and the future of IHM.

When you purchase a personalized brick for Immaculate Heart of Mary School, you will create your own piece of history that will be a part of our IHM community for many years to come. Consider honoring a recent graduate, a loved one, recognizing a staff or faculty member who made a difference in your life, or memorializing a family member. Students and alumni are also encouraged to create “Class Bricks” to recognize all of our graduating classes at IHM.

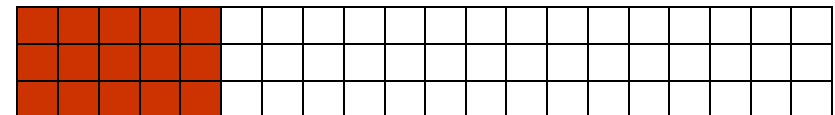

Proceeds from this project will be used to upgrade and improve Immaculate Heart of Mary School’s fire emergency system.

Personalize your brick today!

8" x 8" Red Engraved Brick	
	<p>\$131.00 with clipart \$125.00 without clipart</p>
4" x 8" Red Engraved Brick
